

**COMMUNICATION SYSTEMS DEVELOPMENT**

**R M NEEDHAM**

**Rapporteurs:** Jason N Bain and Rogerio de Lemos

## Communication Systems Development

*R M Needham*

University of Cambridge  
Computer Laboratory  
New Museums Site  
Pembroke Street  
Cambridge CB2 3QC  
UK

The lecture will review developments in communication systems, especially local ones, and consider how they have influenced and will influence the design of computer systems. The challenges and opportunities of multimedia communication will be emphasised.
